REQUIREMENTS FOR MINORS TRAVELLING THROUGH ALL BOTSWANA PORTS OF ENTRY

The Ministry of Nationality, Immigration and Gender Affairs informs the general public that it has imposed requirements for minors (children under 18) travelling through the country's ports of entry. Effective from the 1st October 2016 minors travelling through the country's borders will be required to produce certified copies of unabridged birth certificates in addition to their valid passports. In the event that one parent is not travelling with the child, the other parent's affidavit consenting to such travel should be availed. However, an affidavit will not be required if the father's name does not appear on the child's birth certificate. The development, which is aimed at managing the movement of children across the country's borders, has an ultimate goal of tackling human trafficking which is a global challenge. Botswana, like other countries is affected by this problem and as such has enacted the United Nations Anti-Human Trafficking Protocol; which calls upon governments to come up with deliberate measures aimed at combating human trafficking.

The only necessary prophylaxis for Southern Africa is against Malaria (Botswana and Zimbabwe). Adequate chemo-prophylaxis are essential. Prevention is better than cure, so we do advise to also use insect repellent on exposed areas after sunset. Please consult with your general practitioner regarding this. All Drifters guides have first aid boxes for use in emergencies, however we recommend that you bring along your own basic supply of medication, headache tablets etc.

***Personal medication

Please bring along any personal medication that you might need on your tour as specific medication could be difficult to find or might not be obtainable in most places we visit. General medication for headaches, colds and fever are easy to get.

12. MEALS AND REFRESHMENTS

Meals are provided as indicated in the brochure/website. We do not provide meals on the first day your tour. We do however stop en-route; therefore it is always possible to buy something along the way. Soft drinks, bottled water and alcohol are for your own expense; there is ample opportunity during the tour to buy refreshments. The guide will advise when you need to stock up for a couple of days.

13. PERSONAL EXPENSES

A reasonable amount of personal spending money must be brought on our tours. This is to cover own expense meals as indicated in our Drifters Brochure, bottled water, soft drinks, alcohol, sundry goods purchased- such as suntan cream etc., curios, optional extra excursions, airport tax, transfers and tips.

In Africa things work a little different to the rest of the World. Tipping or gratuity, unless otherwise specified, is not included in the price you pay for services delivered. This accounts for restaurant meals, casual help and the services of the guide or guides that you will meet on your tour.

In Southern and East Africa it is classified as a common courtesy to **TIP** "casual help (guides)".

This **TIP** is not something that is forced upon you by any means, but in many industries of tourism it is customary. It works as follows: if you believe your guide has lived up to your expectations and has

DRIFTERS ADVENTOURS

Tel: +2711 888 1160 / E-mail: drifters@drifters.co.za

performed his/her job in a way that you respect and are happy with the services rendered, an amount of R 50 per day or equivalent amount of R50 per day in any major currency **per person per day** would constitute a fantastic tip. Remember that this is just a guideline and is not by any means compulsory, but seen as common courtesy in Southern and East Africa.

14. GROUP SIZE (Max 12)

Group size varies from 4 – 12.

15. ON SAFARI

All our tours require a certain level of participation from all group members. This entails assisting with the food preparation, washing of dishes and keeping the truck clean.

Please keep in mind that flexibility and an open mind will greatly contribute to an enjoyable safari.

We are travelling in developing countries therefore please do not expect the punctuality you have come to expect in first world countries. Things do not always run according to plan, however we do endeavour to run according to the itinerary as best as possible.
